

COOKIE POLICY

UPDATED: September 2026

This Cookie Policy explains how Quantum Montessori® websites may use cookies and similar technologies. It should be read together with the Quantum Montessori Privacy Policy.

1. What Cookies Are

Cookies are small data files that websites may place on a device to support website functions, remember preferences, maintain sessions, improve security, and understand website use.

2. Cookies We May Use

- Essential and security cookies needed for core website functions, forms, account access, or session management.
- Preference cookies that remember choices or settings.
- Analytics cookies or similar technologies used, when enabled, to understand website traffic and usage.
- Third-party cookies or similar technologies associated with embedded content, payment tools, scheduling tools, communications, social-media features, or other website integrations.

3. Educational Platforms

Student learning and administrative platforms may use their own cookies or similar technologies. Those technologies are governed by the applicable platform's settings, terms, and privacy practices and are separate from cookies placed directly by the public Quantum Montessori website.

4. Managing Cookies

Most browsers allow users to block, delete, or manage cookies. Disabling essential or functional cookies may prevent certain website, form, account, or integrated features from working properly.

5. Privacy

Information collected through cookies or similar technologies is handled as described in the Quantum Montessori Privacy Policy and, where a third party is involved, the applicable third party's privacy practices.

6. Updates

We may update this Cookie Policy as our website, integrations, or technology changes. The current version will identify its update date.

7. Contact

Questions about this Cookie Policy may be directed to admin@quantummonti.com.
